NON MEMBER 1000 EGP
NON EGYPTIAN 300 \$

OUR EVENT WORK SHOPS

Work shop #1 (10,July) : how to create canine model Theoretical and practical.

Work shop #2 (11,July) : Separation and isolation of Wharton's Jelly

& Umbilical cord Wharton's Jelly stem cell isolation.

OUR EVENT MAIN TOPICS

- Stem cell niche, signaling
- Stem cell aging & metabolism
- Cancer stem cell
- Stem cell banking
- Veterinary stem cell
- Novel stem cell technologies
- Ethical issue in stem cell research
- Principles of development for stem cell engineering
- Stem cell-based disease modelling & drug discovery
- Reevaluating strategies for transplantation
- Stem cell & gene therapy – clinical trial
- Stem cell transplantation & techniques
- Stem cell products & commercialization

ORGANIZING COMMITTEE

Prof. dr. Osama El Ghanam

President of ESPCR

(Prof of neurosurgery - Azhar university)

Prof. dr. Hala Gabr

President of the conference

(Prof of Clinical Pathology - Cairo University)

Prof. dr. Samah Bastawy

General Secretary of the conference

(Prof & head of Clinical Pathology - Inshas University)

Prof. dr. Wael Abou El Khair

Vice president of ESPCR

(Prof of Immunology - Military Medical Academy)

Prof. dr. Hania Ammar

Vice president of the conference

(Prof of medical physiology - Cairo University)

Prof. dr. Asmaa Shams Eldin

Coordinator of the conference

(Lecturer of Medical Physiology - Cairo University)

OUR EVENT ACCOMMODATION

3 days/ 2 nights B Per P	Package A (Grand Nile Tower Hotel)	Package B (Al Araby Hotel)
Egyptian	(1100 £.E.) Single room (1250 £.E.) Double room	(430 £.E.)
Non-Egyptian	(206 \$) Single room (220 \$) Double room	(800 £.E.)

First day: Gala dinner in cairo tower restaurant | **Second day:** Tour in Islamic An pharonic cairo

One day: trip to red sea (sokhna diving)

BANK ACCOUNT:

2 779 4, FAISAL ISLAMIC BANK, EGYPTIAN SOCIETY FOR PROGENITOR STEM CELL RESEARCH
